ROUTED SIGNS AND SEALS

** 10 item maximum per order*

These three-dimensional signs and seals can be customized to look like wood or can be painted, and make a great addition to any executive office. UNICOR can reproduce your organizational seal from the Government Seal Manual (GPO Publication 250.3) or craft a customized emblem, seal, or sign from your own design. Seals are crafted from durable foam and machine routed for sharp, clean edges. The foam material makes these seals lightweight and easy to handle and can be used in both exterior and interior applications. These custom signs are priced by size, so please call the Customer Service Center at 800 827-3168 for a price quote.
